You can think I am crazy
you can think anything you like
but I hav to say this to you
even tho I don't completely care

Am I the one you're thinking of
when she's by your side
am I the one you see
when you close your eyes

People look at me like
is she crazy and what is she thinking
but I like the way you are
and I don't care if this rymes or not

Am I the one you're thinking of
when she's by your side
am I the one you see
when you close your eyes

What should I do

when I see you with her
I guess I want to believe
what I want to believe
but does that make me a sucker for love?

TÃi rud Ã©igin faoi tÃº
a dhÃ©anann mÃ© dtagann nÃos mÃ³ ar do shon
a dhÃ©anann tÃº grÃi di
OH la thit mÃ© ar do shon
chanadh leat mÃ© a chodladh
chanadh tÃº dom I rith an lae
chanadh tÃº dom le linn na hoÃche
and if she likes you
does she like you

Am I the one you're thinking of
when she's by your side
am I the one you see
when you close your eyes
