I got your back
And you got mine
What whatever they say
This is no lie

We are friends
And we always been
Since the day we met
Best best friends
Best best friends
Best friend

I got your back
When you are falling
And whenever the time is
All you have to do is be calling

We are friends
And we always been
Since the day we met
Best best friends
Best best friends
Best friend

Yeah we are friends
We are best friends
Best friend forever
Yeah
Yeah yeah hey
Best friend

We are friends
And we always been
Since the day we met
Best best friends
Best best friends
Best friend

We are friends
And we always been
Since the day we met

Best best friends
Best best friends
Best friend
