You probably don't  
Even have a clue  
How I feel  
I end up coming back  
Am I guilable  
Am I a sucker for love  
I don't know  
All I know is I feel

I gotta get it out  
But I don't know how  
What is there to worry about  
I don't wanna fall down  
If you don't like me  
That way  
The way  
The way  
I do  
I keep trying to say

It's cool  
It's ok  
If I have to let it go  
I will try  
But it's not that easy  
I may still feel that way  
It's fine I guess  
But I don't wanna lie  
It's not the same  
If I fake like  
I feel nothing at all

I may be crazy sometimes  
But I am not stupid  
You deserve to know  
How I feel  
You are worth the truth  
But I am waiting until the right time  
But I

I have to say

What I have to say  
But I am afraid  
You wont feel that way  
You seem like the  
Only one I want  
But I try to tell myself

It's cool  
It's ok  
If I have to let it go  
I will try  
But it's not that easy  
I may still feel that way  
It's fine I guess  
But I don't wanna lie  
It's not the same  
If I fake like  
I feel nothing at all

I could walk away  
And say that I am done here  
And that I don't need this  
But that would be a lie  
How I feel  
Is this real  
Or is this something else

It's cool  
It's ok  
If I have to let it go  
I will try  
But it's not that easy  
I may still feel that way  
It's fine I guess  
But I don't wanna lie  
It's not the same  
If I fake like  
I feel nothing at all

It's cool  
What I say  
But if I had to let it go  
I may try  
But I may tear myself apart  
It's fine  
They say  
But I am not lying  
No use of trying  
To fake like  
I feel nothing at all
