Verse 1

I can tell you like me
Because of the stuff you're writing
But how do you know this was about you
When it couldve been about someone else

I can tell you're sweet and all
But I don't like you like that
It's gonna take more to fall
And before there is the chance

Chorus

Don't take it personally
Don't take it personally
But so what if I am some kind of dream
What if you're not the one for me

Verse 1

I have to admit you're kind of cute
But that don't mean you
My relationship status may be single

I can tell you're real sweet and all
But that don't mean I want you to be
The one to make me fall
Because maybe you're not the one

Repeat chorus

Don't take it personally
Don't take it personally
But so what if I am some kind of dream
What if you're not the one for me

Second chorus

Roses are red
Violets are blue
Boy I have to
Tell you the truth
Don't take it so personally
Because maybe you're not meant for me
