i look around
all these people
on the streets
and with no place to go
it makes me wanna cry

i pray for the sinners
i hope they know
that nobodys a winne
until they have god in their life

no diamonds
no shiny cars
could make them anymore
of being who they are

i pray they show forgiveness and love
but sayi it aint enough
that they need fancy stuff
i pray they realize and know
the faith truth and hope
its not out in the snow
god is everything to me
and thats who he will always be

i walk downtown
and i feel sorry
for the homeless
and the poor
it makes me wanna say

i wanna pray for them
i wanna make a change
i wanna be a friend
and help them

no expensive
no money
could make me
shine sweet like honey

i pray they show forgiveness and love
but sayi it aint enough
that they need fancy stuff
i pray they realize and know
the faith truth and hope
its not out in the snow
god is everything to me
and thats who he will always be

the simple things
the simple things

i dont need money
or the finest clothes
because thats nothing
compared to god
and god is our striegnth and our savior

i pray they show forgiveness and love
but sayi it aint enough
that they need fancy stuff
i pray they realize and know
the faith truth and hope
its not out in the snow
god is everything to me
and thats who he will always be
