what you have been through  
in your life  
if they only knew  
they wouldnt do that  
doing things to look cool  
in the catagory  
of nothing new  
if they would realize

you dont have to run  
away from a fear  
its good to face them  
than to walk away  
you dont have to hide  
away from the tears  
you always have a friend  
and that is god heavenly father

when youre at school  
outside and those kids do  
something to hurt ya  
not physcally to you  
but emotionally to look cool  
but its ok youre never

you dont have to run  
away from a fear  
its good to face them  
than to walk away  
you dont have to hide  
away from the tears  
you always have a friend  
and that is god heavenly father

if they think youre crazy  
youre not  
and its ok  
yeah please know its fine  
if they hurt you lately  
this song  
its explains

that everythings

you may feel down  
but just listen to now  
because it will get btter  
when it cant rain forever

you dont have to run  
away from a fear  
its good to face them  
than to walk away  
you dont have to hide  
away from the tears  
you always have a friend  
and that is god heavenly father
