hey, what to do
it seems far away
til that day when
i see your face

things seem
to be changing differently
i want to know
how you feel
you seem like the only

one i want
even if i think
other boys are cute
they could never make me feel this way
oh no

i don't mind feeling this way
but i wonder if you feel the same way
i don't mind for this change
but baby boy, i wanna say
that you are on my mind

i want you near
someplace close to me
it's true
does this sound crazy

you are on my mind
and sometimes
it's 24/7
12 past 11

i want to know
if you feel the same way
all i really need is truth
from you not gifts baby

i don't mind feeling this way
but i wonder if you feel the same way
i don't mind for this change

but baby boy, i wanna say
that you are on my mind

they can knock me down
but baby something keeps bringing me back
you are the only boy
i have ever felt this about

hey hey hey
yeah yeah yeah
i just want you
to know

i dont mind feeling this way
but i wonder if you feel the same way
i dont mind for this change
but baby boy, i wanna say
that you are on my mind
