This is short
It aint long
I am just a girl
Please listen to this song

Call me whatever you'd like
Say I am crazy
But I could
Maybe I would tell you
That I could care less
What you say
But there is much more to me
Than what you think

Saying whatever to be wrong
If you like me or not
If you don't then that's fine
But my love is one of a kind

Trying to find
The right words to say
One of a kind
And that is no mistake
And if it comes again
Should I let go
And if we are more than friends
You probably don't know
How I feel about this
Because I never said we were
But trying to find
The right words to say
Instead of saying ok
