uh uh uh no no way why is this boy pretending he aint  
mine  
uh uh uh back up and back off because you know that  
aint the truth, so why you gotta lie  
things aint supposed to be that way  
i dont usally play that game  
now i might just break up with you  
because you lie-lie-lied

i am so moving on  
i am moving on  
i am gone from you  
you thinking that youre cool  
not crying like a fool

because i gotta get my stuff  
and leave like i should  
there aint nothing you can say  
look at what you lost, my love  
now i am leaving out the door  
know that i aint playing games  
no use crying over  
crying over  
crying over  
you  
crying over  
crying over  
crying over you  
no use  
crying baby  
no use  
crying baby  
no use  
crying baby  
no use  
cry crying  
cry cry crying

oh no you tried to break my heart  
funny how you did from the start  
baby oh no you aint worht my tears

i need a boy wholl treat me good

because boy things aint supposed to be like that  
i usally dont give jerks a second chance  
now i guess we have to break up  
because now its all said and done

i am so moving on  
i am moving on  
i am gone from you  
you thinking that youre cool  
not crying like a fool

because i gotta get my stuff  
and leave like i should  
there aint nothing you can say  
look at what you lost, my love  
now i am leaving out the door  
know that i aint playing games

no use crying over  
crying over  
crying over  
you  
crying over  
crying over  
crying over you  
no use  
crying baby  
no use  
crying baby  
no use  
crying baby  
no use  
cry crying  
cry cry crying

baby i was honest  
there was no other boy  
i would have wanted then  
but since were over right now  
how do you feel  
that you treated me wrong  
when i deserve better
