hey la la la la  
hey la la la  
hey la la la la  
hey la la la

hey, if you heard i was fine  
thats no lie, but boy how are ya  
hey, and if youre lost without me  
i get a long great and fine without ya here

i cannot lie right now  
but tell the truth  
and what you did  
boy, it might come back on you  
someday

since you went out of the door  
i realize that there is more  
than what meets the eye  
when i was here  
since the day you act like a jerk  
i realize what things are really worth  
more than your love  
there is no tears

hey, you made me cry  
like you didnt care saying bye  
what do you think about now  
when i have a good reason to smile

i will not lie  
but tell you about  
this thing we call  
what comes around goes around

since you went out of the door  
i realize that there is more  
than what meets the eye  
when i was here  
since the day you act like a jerk  
i realize what things are really worth

more than your love  
there is no tears

it goes around  
since you went out of the door  
i realize that there is more  
than what meets the eye  
when i was here  
since the day you were a jerk  
i realize youre not really worth  
what i really need  
there is no tears

i deserve a love  
that is kind  
i am happy  
that i am free of your lies  
she has got nothing on me  
boy  
admit that i was  
the one you used to want  
until you change the script  
and now its not love  
for my bye  
there is no tears

Thanks to Marie
