looking at the people
whos in love here
i want him to know that
the way i really feel

but what if he dont
like me back
for me to know
i gota take that chance

please know gifts and presents
are ok
but they may not tell
what i have to say
i want you to know
how i feel inside
i want peace on earth
and for you to know
that i smile
when i see your face
one thing that i want this christmas
is for you to know

if you like me
but youre shy to say
i am too
so its ok

i would like you back
if you told me
because i already do now
please believe

that the gifts and presents
are ok
but they may not tell
what i have to say
i want you to know
how i feel inside
i want peace on earth
and for you to know

that i smile
when i see your face
one thing that i want this christmas
is for you to know

does it really matter
what they say
when they can never
take this away
no no way
this christmas time
out of all the gifts
i could ever get
theres nothing more
i want then for you to know

the gifts and presents
are ok
but they may not tell
what i have to say
i want you to know
how i feel
i want peace on e
and for you to
that i smile
when i see face
one thing that i want this christmas
is for you to know
