i know i may not be rich
but i have a lot to give
i know i dont have that much money
but when its raining, i can make it sunny
i know i may seem poor
but i am rich in my world
i dont need no green stuff
because i have gods love

the air that i breathe
the stuff that i need
i am a simple girl
with simple taste
the meoldy i sing
of what i can bring
i am a normal girl
with a normal say

its ok if youre broke
because i wont care, you know
i would still love you
the way you are
and when it gets cold
feels like were out in the snow
i would still say you
are a shining star
there may not be much i can do
but give this song to you

i am not a rich girl
but you got me ryming these words
theres no reason
like when theres no ryme
but i wanna give you a love
that will never make you blind, boy

the air that i breathe
the stuff that i need
i am a simple girl
with simple taste
the meoldy i sing

of what i can bring
i am a normal girl
with a normal say

its ok if youre broke
because i wont care, you know
i would still love you
the way you are
and when it gets cold
feels like were out in the snow
i would still say you
are a shining star
there may not be much i can do
but give this song to you

i may not be rich
but boy i can give
you this song
to show you that i care

its ok if youre broke
because i wont care, hope you know
i would still love you
the way you are
and when it gets cold
feels like were out in the snow
i would still say you
are a shining star
there may not be much i can do
but give this song to you
