am i a sucker for love
to wanna believe
what ever i wanna believe

does it make me crazy
to wanna believe
what i wanna believe
when you say that its me

do you like her
tell me do you like her
i wanna know
but you dont have to me
do you wanna tell me
but what do you wanna know

i dont want something perfect
i just want something real
it could be nothing less than worth it
but something we both feel
to reasure
reasure
what about her
about her
i may be insecure
but so what

how do you feel
about me compared to her
compared to her

baby is it me
that you mean it for
when you say what you feel
when you say it

do you like her
tell me do you like her
i wanna know
but you dont have to me
do you wanna tell me

but what do you wanna know

i dont want something perfect
i just want something real
it could be nothing less than worth it
but something we both feel
to reassure
reassure
what about her
about her
i may be insecure
but so what

how do you feel
i have some guesses
but i dont know if it is about me
you dont have to tell me
but i want a sign somehow
if it is me

i dont want something perfect
i just want something real
it could be nothing less than worth it
but something we both feel

i dont want something perfect
i just want something real
it could be nothing less than worth it
but something we both feel
to reassure
reassure
what about her
about her
i may be insecure
but so what
