Butchered, slaughtered, strangulated.
Tortured to a higher level of pain.
Slaughtered you are, your body ripped. Only your
believes,
If you denied the crist, you gonna be hanged, only for
you believes,

Slave under the grey religion. Burned alive only for
walk against the stream.

To save your soul, confess your sin and obey your
punishment.
Then god welcomes you with his arms wide open.
Leave your life on this world and clear your dirty
consent
It's all a joke it's all fucked up.
