Intro

Ooo, ooo

Ooo, ooo

There are planks of wood holding up this house
And there are stones that pave your way
Won't you visit me?
Won't you step inside?

I've made some tea it's your favorite kind
And I have all the time
Won't you be with me?
Won't you take my side?

Wash me like a baby
Touch me softly till I sleep
Whisper everything you love about me
Oh be my friend
Oh be my friend always

Ooo, ooo

Ooo, ooo

There are planks of wood holding up this house
And there are stones that pave your way

Won't you visit me?
Won't you step inside?

I've made some tea it's your favorite kind
I have all the time
Won't you laugh with me?
Won't you stay awhile?

Wash me like a baby
Touch me softly till I sleep
Whisper everything you love about me
Oh be my friend
Oh be my friend always
Oh be my friend always

Oh wash me like a baby
Touch me softly till I sleep
Whisper everything you love about me
Oh be my friend
Oh be my friend always
Oh be my friend always
Oh be my friendÂ...always
