Lately Iâ€™ve found I canâ€™t be unwound  
I love him and he loves me  
Somewhere it seems I gave up my dreams to love him  
now where is  
me?

Iâ€™m gardening from the ground up, but I canâ€™t pull  
this weed  
Iâ€™m gardening from the ground up, but I canâ€™t pull  
this weed

It will come back, it will come back  
I canâ€™t just move, I canâ€™t just move  
It will come back, never again  
It will come back, never again  
It will come back, never again, never again, never  
again

Iâ€™m gardening from the ground up, but I canâ€™t pull  
this weed  
Iâ€™m gardening from the ground up, but I canâ€™t pull  
this weed

Lately Iâ€™ve found I canâ€™t be unwound  
I love him and he loves me  
Somewhere it seems I gave up my dreams to love him  
now where is  
me?

Iâ€™m gardening from the ground up, but I canâ€™t pull  
this weed

Iâ€™m gardening from the ground up, but I canâ€™t pull  
this weed

It will come back, it will come back  
I canâ€™t just move, I canâ€™t just move  
It will come back, never again  
It will come back, never again  
It will come back, never again, never again, never  
again

Iâ€™m gardening from the ground up, but I canâ€™t pull  
this weed

Iâ€™m gardening from the ground up, but I canâ€™t pull  
this weed

It will come back, it will come back

I canâ€™t just move, I canâ€™t just move

It will come back, never again

It will come back, never again

It will come back, never again, never again, never  
again

Iâ€™m gardening from the ground up, but I canâ€™t pull  
this weed

Iâ€™m gardening from the ground up, but I canâ€™t pull  
this weed

It will come back

He will come back
