Pozorny spokój został zakłócony. Krew znowu
popłynęła, kiedy rany się otworzyły.

Terror!
Thoughts!
Power!
Pain!
Take!
Destroy!
Ruin!
Life!

We wait till dawn
To give you orders
There is no way out
Everything must end now
On our final day
One second away

Something inside will strike you
Just open your eyes
We use this force to guide you
To see the end of time

Flowing like a river
It can kill a nation
To ensure destruction
Mass depopulation

The final day is closer
The... final... day... is... closer [x4]

Entomb the children
At the dawn of warfare
Spread like a fire
Final day is closer

We choose violent ways...
... to depopulate!

Something inside will strike

Just open your eyes
We use this force to guide you
To see the end of time
