The sun has set
The ground is cold and wet
And I still haven't left
And time she let us rest
For long enough
But we're growing up
Things are different
You used to listen

Isn't it strange
How can we go on like this?
Flies in the dark
Looking for a spark
But something's gotta give
'Cause if it won't change
How can we go on like this?
How can I live?

It's just a dream
It's just a silhouette
That hasn't happened yet
But the earth is moving fast
And if I'm gone before the dawn
Take all that there was
And make it live

Isn't it strange
How can we go on like this?
Flies in the dark
Looking for a spark
But something's gotta give
Cause if it won't change
how can we go on like this
How can I live?

Cause it's just another moment
I could've played the game
I could've done without this
But I didn't.
So why can't I acknowledge
The more things change
The more they stay the same.

Isn't it strange
How can we go on like this?
Flies in the dark
Looking for a spark
But something's gotta give
Cause if I won't change
How can it go on like this
How can I live?
