My sapphire stone
You lie above
I'm wandering in sunlight, Love
We're fireflies, we're not alone

If we should come to rest
In the palm of heaven's hand
Then may we know the sand we lie upon
If we should come to rest
In the palm of heaven's hand
And out of many there
Return to one

Your fragile soul
Is tired enough
So move on slow
We never stop
Your crypt of light
Yet to be known

If we should come to rest
In the palm of heaven's hand
Then may we know the sand we lie upon
If we should come to rest
In the palm of heaven's hand
And out of many there
Return to one
When all is hurt
Be fit to fall
As rain on Earth

When all is hurt
Be fit to fall
As rain on Earth
Home will call

When all is hurt
Be fit to fall
As rain on Earth

When all is hurt
Be fit to fall

As rain on Earth
Home will call

If we should come to rest
In the palm of heaven's hand
Then may we know the sand we lie upon
If we should come to rest
In the palm of heaven's hand
And out of many there
Return to one
