Houston Undercover
Aint no run and hide
Step to chad and magic man n
That be suicide cuz
They aint even playin can you
Hear the thing I'm sayin aint no
Time for no delayin crime
Still aint never payin

Got the call, another bust,
Too late to beat the
Rush MAKE WAY for the blue crush,
Out in FORCE, you know how we do,
We hunt chumps down
Like prey for the red white and blue
Red white and blue texas best
Step to HU and ya perish like the rest
We don't make the rules,
We just make the loot
For chasin thugs down
In them hot pursuits

Houston Undercover
Aint no run and hide
Step to chad and magic man n
That be suicide cuz
They aint even playin can you
Hear the thing I'm sayin aint no
Time for no delayin crime
Still aint never payin

Friday night. kids are slangin,
Hangin in the
Street big bangin,
Grill piece blangin
Rolin dice, playin spades,
They used to have blades,
Now they got grenades,
Armed to the teeth,
Ready for them raids,
Houston under cover,

Attack em like crusades,
Chad and magic ridin,
Creep on the set... uhh...
When the autos come out
Thugs gonna get wet

Houston Undercover
Aint no run and hide
Step to chad and magic man n
That be suicide cuz
They aint even playin can you
Hear the thing I'm sayin aint no
Time for no delayin crime
Still aint never payin
