I thought that I would die  
My guy just said goodbye to me  
Nothing that I could do  
I was so blue

I lost my tender feelings  
Asking heaven why - why me  
The prison of love won't let me go, oh no  
My feet were slowly losing ground  
I felt hopeless, sad and down  
But then I met you

Chorus

And I'm in love again - dudududududu  
No reason to pretend  
I'm still down and blue  
I'm in love again - dudududududu  
While looking for a friend  
I lost my heart to you

My wounded heart was bleeding  
I didn't want to fall for you  
I now what I feel for you is true  
So true

I don't know how it happened  
Good to know that you are here  
Baby I'm for real, sincere  
Not it's clear  
My heart is slowly gaining ground  
Forgotten feelings I have found  
Back there in your arms

Chorus

And I'm in love again - dudududududu  
No reason to pretend  
That I'm still down and blue  
'coz I'm in love again - dudududududu  
While looking for a friend

I lost my heart to you  
I can't believe it's true - dududududu  
Untried unknown unplanned,  
But I'm in love again  
Yeah I'm in love again

My heart is slowly gaining ground  
Forgotten feelings I have found  
Back there in your arms
