It's the time of year
When good friends are near
Tryin' hard to find a quiet moment
Sharing love and joy
Children with their toys
Sadness fills my heart to see you go

Chorus:

Christmas won't be the same without you
Christmas won't be the same if you go
All I need to see standing by my Christmas tree
Christmas won't be the same without you

I remember when
The times we used to spend
Walking hand in hand until the sun sets
Then came Christmas Eve
The wish you gave to me
How I wish I tried to make you stay
(Repeat Chorus)

Bridge:
It's been a long long time
I need you by my side
Hold me tight
Don't let go
Let go
(Repeat Chorus 2x)

Christmas won't be the same
Christmas won't be the same
Without you
