I'm afraid to fly
And I don't know why
I'm jealous of the people who are not afraid to die

It's just that I recall
Back when I was small
Someone promise that they'd catch me
But then they let me fall

And now I'm fallin
Fallin fast again
Why do I always take a fall
When I fall in love

You think by now I've learned
Play with fire you'll get burn
But fire can be, oh, so warm
And that's why I return

Turn and walk away
That's what I should do
My head says go and find the door
My heart says I found you

And now I'm fallin
Fallin fast again
Why do I always take a fall
When I fall in love

It always turns out the same
Loving someone, losing myself
Only got me to blame

Help me I'm falling
Catch me if you can

Maybe this time I'll have it all
Maybe I'll make it after all
Maybe this time I won't fall

When I fall

When I fall

Catch me I'm fallin, fallin
Catch me if you can
Maybe this I'll have it all
Maybe I'll make it after all
Maybe this time I won't fall

When I fall
In love
