Gotta take a little time  
A little time to think things over  
Better read between the lines  
In case I need it when I'm older

Hmm, yeah...  
This mountain I must climb  
Is like the world upon my shoulders (Yes, it is.)  
Through the clouds I see love shine  
It keeps me warm as life grows colder

(Refrain/Pre-chorus)  
In my life there's been heartache and pain  
I don't know if I can face it again  
Can't stop now  
I've travelled so far  
Change this lonely life

(Chorus:)  
I wanna know what love is  
I want you to show me  
I wanna feel what love is  
I know you can show me, yeah

Gotta take a little time  
A little time to look around me  
Got nowhere left to hide  
Looks like love has finally found me

(Repeat Refrain & Chorus)

Bridge:  
Lord, help me to be strong  
On this road I travel on  
When I'm lost and lonely  
Find me

My journey's just begun  
And I'm not the only one  
'Cause I wanna know, I wanna know  
I wanna know, oh...

Yes, i found it  
Show me, baby, oh...  
Yeah, hey...  
I wanna know what love is  
I want you to show me  
Show me, baby, yeah...  
Give me your love  
Listen now, babe  
I wanna know....
