Day after day, I must face a world of strangers where I
don't belong
I'm not that strong
It's nice to know that there's someone I can turn to who
will always care
You're always there

When there's no gettin' over that rainbow
When my smallest of dreams won't come true
I can take all the madness the world has to give
But I won't last a day without you

So many times when the city seems to be without a
friendly face
A lonely place
It's nice to know that you'll be there if I need you
and you'll always smile
It's all worthwhile

When there's no gettin' over that rainbow
When my smallest of dreams won't come true
I can take all the madness the world has to give
But I won't last a day without you

Touch me and I end up singin'
Trouble seems to up and disappear
You touch me with the love you're bringing
I can't really lose when you're near
When you're near, my love

If all my friends have forgotten half their promises,
they're not unkind
Just hard to find
One look at you and I know that I Could learn to live
without the rest
I've found the best, hoh

When there's no gettin' over that rainbow
When my smallest of dreams won't come true
I can take all the madness the world has to give
But I won't last a day without you

Without you
Won't last a day without you
