And I would do anything for love  
I'd run right into hell and back  
I would do anything for love  
I'll never lie to you and that's a fact  
But I'll never forget the way you feel right now  
Oh no no way

Chorus:

I would do anything for love  
I would do anything for love  
I would do anything for love  
But I won't do that

Refrain:

Some days, it doesn't come easy  
Some days, it doesn't come hard  
Some days, it doesn't come at all  
And these are the days that never end

Refrain2:

Some nights you're breathing fire  
Some nights you're cold as ice  
Some nights you're like nothing  
I've ever seen before  
Or will again

Maybe I'm crazy  
Oh crazy  
But it's crazy  
And it's true  
I know you can save me  
No one else can save but you

As long as the planets are turning  
As long as the stars are burning  
As long as your dreams are coming true  
You better believe it

Chorus

But I won't do that

## Refrain and Refrain 2

Maybe Iãf'ã,'m lonely  
But itãf'ã,'s all that I glorify to be  
Thatãf'ã,'s just one and only  
The one and only promise I can keep

As long as the wheels are turning  
As long as the fire are burning  
As long as the prayers are coming true  
You better believe it

Chorus

Oh no

Chorus

But I wonãf'ã,'t do that  
But I wonãf'ã,'t do that
