I would do anything for love
I'd run right into hell and back
I would do anything for love
I'll never lie to you and that's a fact
But I'll never forget the way you feel right now
Oh no no way

Chorus:
And I would do anything for love
I would do anything for love
I would do anything for love
But I won't do that
No i won't do that

Refrain:
And Some days, it don't come easy
And Some days, it don't come hard
Some days, it don't come at all
And these are the days that never end

Refrain2:
And some nights you're breathing fire
And some nights you're cold as ice
Some nights you're like nothing
I've ever seen before
Or will again

And maybe I'm crazy
Oh it's crazy
But It's true
I know you can save me
No one else can save me now but you

As long as the planets are turning
As long as the stars are burning
As long as your dreams are coming true
You better believe it

And I would do anything for love
I would do anything for love
I would do anything for love

But I won't do that
Oh oh but i won't do that

And Some days, it don't come easy
And Some days, it don't come hard
Some days, it don't come at all
And these are the days that never end

And maybe I'm lonely
And thats all I'm qualified to be
That's just one and only
The one and only promise I can keep

As long as the wheels are turning
As long as the fires are burning
As long as the prayers are coming true
You better believe it

And I would do anything for love
I would do anything for love
And i would do anything for love
But I won't do that
Oh no

I would do anything for love
I would do anything for love
I would do anything for love
But I won't do that
Ooh no i won't do that

No i won't do that
