If I Ain't Got You Lyrics  
by: Alicia Keys

Some people live for the fortune  
Some people live just for the fame  
Some people live for the power yeah  
Some people live just to play the game  
Some people think that the physical things  
Define what's within  
I've been there before  
But that life's a bore  
So full of the superficial

Some people want it all  
But I don't want nothing at all  
If it ain't you baby  
If I ain't got you baby  
Some people want diamond rings  
Some just want everything  
But everything means nothing  
If I ain't got you

Some people search for a fountain  
Promises forever young  
Some people need three dozen roses  
And that's the only way to prove you love them

And in a world on a silver platter  
And wondering what it means  
No one to share, no one who truly cares for me

Some people want it all  
But I don't want nothing at all  
If it ain't you baby  
If I ain't got you baby  
Some people want diamond rings  
Some just want everything  
But everything means nothing  
If I ain't got you

Some people want it all

But I don't want nothing at all  
If it ain't you baby  
If I ain't got you baby  
Some people want diamond rings  
Some just want everything  
But everything means nothing  
If I ain't got you

If I ain't got you with me baby  
Nothing in this whole wide world don't mean a thing  
If I ain't got you with me baby
