It's time for me
to let you know
Why I'm so glad
that I have you
through all these years
I am so thankful

Now that I've grown up
I'll always be
Thinking of you
With all the things
You've taught me so
Always remember

I'll be alright
I'll be okay
I will be good and
Loving you all the way
All from the heart
These things I do
I'll make you proud
Because I love you
I'll be alright
I'll be okay
I will be fine and
I will be good all the way
All from the heart
These things I do
I'll make you proud
Because I do
I love you so
I will stand tall
And try not to fall
As I reach all my goal
I will go on
And I will move on
All because of you,
For you...

I'll be alright
I'll be okay
I will be good and

Loving you all the way
All from the heart
These things I do
I'll make you proud
Because I love you
I'll be alright
I'll be okay
I will be fine and
I will be good all the way
All from the heart
These things I do
I'll make you proud
Because I do
I love you so
I love you so
I love you so
I love you
