I don't see the smile you used to give to me  
I don't see the same look in your eyes  
I don't know why it's happening to us  
I'm losing you forever so fast

It's hard to keep the pieces of a broken heart  
There's no mending, there's no brand new start  
Oh maybe I just have to face the truth  
I'm losing you and there's nothing I can do

### CHORUS 1:

Maybe it's time to let go, it's time to move on  
It is the time to forget what we have shared  
I just have to learn gettin' over all the days  
We used to say "I love You"... ooohhh  
I Love You

Tomorrow is a lonely day that I must face  
To try and get back on my feet would be a waste  
For how can I truly live without your love  
A life without you is not a life at all

### CHORUS 2

Maybe it's time to let go, it's time to move on  
Maybe it's time to forget what we have shared  
Is it easy for you gettin' over all the days  
We used to say "I Love You"

### Bridge:

MARK: There are many questions

SARAH: (many Questions)

SARAH & MARK:

Left in my mind

I can't find the answers

Why oh why

But I know it is true, it is time to let go

### CHORUS 3

It's the time to let go, it's time to move on  
It is the time to forget what we have shared  
I just have to learn gettin' over all the days  
We used to say...

I Love You... ooohhh  
I Love You
