Tulad ng mga bituin at langit
(Our love will stand the test of time)
Kailan man tayo'y 'di maghihiwalay
(I will stay here right by your side)
Pagkat tayong dalawa...
(You will always be in my arms...
...pintig ng puso'y iisa
... all my life)

Chorus

Twin hearts we will never be apart
I will love you for the rest of my life
Twin hearts just like the heavens and the stars
We will always be together
Till the end of time

Like lovers dancing an endless dance for love
(Buong puso ko'y para sa iyo)
Your sweet music fill my heart with joy
(Aawitin ko ang himig mo)
You will always be my music...
(Kahit umabot sa dulo...
...and forever be my joy
...ng mundo)

Chorus 2x
