When day breaks you're gone and my life seems so
long

An' I'm reaching for you
an' feelings come so strong.
I can't let my head fall
though I guess I've failed it all

An' I still feel the flame
but life's a drab old game.
I'm an everyday loser
I'm just an every moment loser

Have to carry my burden of tears an' pain.
I'm an everyday trier
just all I've got is my desire.
Think of nothing but sorrow of maybes tomorrow.
There's llothing to gain
baby
baby
baby
life's just in vain.
Guess the days an' the years
they can drive away the tears.
But I'll never forget all the things an' words you said.
I'm an everyday loser
I'm just an every moment loser

...
Baby
baby
see me on my knees

You went an' left me with my memories
baby
baby
please.
I'm an everyday loser
I'm just an every moment loser

...
