I feel I'm fallin' apart 'cos I know I've lost my guardian
angel.

A fleetin' glimpse of your heart losin' right from the
start - no return

An' things will never be the same.

I feel I'm fallin' apart 'cos I know I've lost my guardian
angel. . . .

Try to find the words that show I sympathise words of
comfort

Words that never criticise though I know you simply
laughin' at me

I just can't stop an' simply let it be.

Where are all those feelin's of my yesterdays

Feelin's now I have bring back those bad ole ways.

Though I know you wanna turn an' blow

I just can't stop an' simply let you go.

I feel I'm fallin' apart 'cos I know I've lost my guardian
angel. . . .

Let me see you smile once more that special way warm
as summer

On a chilly winter's day though I know you're simply
laughin' at me

I just can't stop an' simply let it be.

I feel I'm fallin' apart 'cos I know I've lost my guardian
angel. . . .
