Twisted Minds Plotting
Their Plans Of Domination
Undeniable Thirst For Power
Over The Weak Ones

It's Something Dark And Sick
Which Comes Within Our Soul
You Can't Escape Try No More

Is It In Your Hands To Define The Who You Are
Or Who You Really Want To Be?
Sharing A Disgraceful Heritage

When You Take A Control
Over A Human Being
Is It A Right You Earned
Or Something You've Been Born With?

Is It In Your Hands To Define The Who You Are
Or Who You Really Want To Be?
Sharing A Disgraceful Heritage
