oh my, oh my,
what am I doing here
why did I suddenly disappear
and honey why am I not with you?
I can see the world from where I am
I can see you're lost and you need a hand
but right now I just can't reach you

oh oh,
I was just a lost soul in this world
now i know
oh oh,
I was just a wrong chord in your song
I don't belong

right here there's nothing so different
I just don't have to pay the rent
and I've seen people I missed so much

I've seen rockstars and presidents
then I realized that i'm not meant
to live without your touch

oh oh,
I was just a lost soul in this world
now I know
oh oh,
I was just a wrong chord in your song
I just don't belong

oh oh,
I was such a lost soul in this world
now I know
oh oh,
I was such a wrong chord in your song
I think I don't belong

oh my, oh my,
what am I doing here
why did I suddenly disappear
whithout saying goodbye to you

my days have burned like a cigarette
specially after we have met
but right now
I just miss you
