

## Beets, The "Shout Your Lungs Out"

You gotta whistle  
gotta rumble  
gotta scream  
gotta stomp  
gotta SHOUT your lungs out!

You gotta holler  
gotta yell  
gotta clap  
gotta wail  
you gotta SHOUT your lungs out!

You gotta roll your windows down  
You gotta rock your socks  
you gotta roll your soul  
bust a vocal chord  
You gotta lose control

You gotta roll your windows down  
You gotta rock your socks  
you gotta roll your soul  
bust a vocal chord  
You gotta lose control

You gotta whistle  
gotta rumble  
gotta scream  
gotta stomp  
you gotta SHOUT your lungs out!
