You thank me all the time  
But now it's my turn  
'Cause truly a word of gratitude so due  
Can't go unheard

And it made me feel better  
To have you there in my corner  
My eyes cast so low  
My face could not have been drawn longer

Well, I know you've been impressed  
You've seen me at my best  
But oh, how it hurts  
When I can't hide my worst

Well, thank you for carrying on  
For playing with me and this song  
It made me feel better  
We sat it out like some passing bad weather

Well, my mind was like kid's boxing gloves  
The kind blown up with air  
That are put away after play  
And get limp just lying there

But you knew they'd fill up again  
And you gave me your shoulder  
And I got up in the ring  
Because I had you there in my corner

And I got up in the ring  
Because I had you there in my corner
