I've no illusion who I am this lightning shard of me
Cuts itself into reality
You look into my skin and pull me inside out
Right here in front of me today
I'm running faster not in fear, but because my legs
won't
Stop
You've broken me so fierce
I fear my sanity's been shattered to a thousand tiny
Drops today
And if You have the time
Won't You make nothing out of me
Would You be so kind as to make nothing out of me
If I could speak weak enough to speak the weakness of
my
Soul
I'd cease to speak at all
Here is the holy ground the bush is burning now,
But I dissolve today
The cage is opened now, You've pulled the doors and
Called to me still I want to be set free
