Like everyone else in Hollywood
I'm good at make-believe
I know how to make my entrance
But I don't know how to leave

'Cause this time it really hurts
And this time it's just the worst
'Cause I'm feeling it inside

Gimme some fake rain, fake rain
To hide my real tears
Don't want you to see my pain
Gimme some fake, fake rain, fake rain
To wash your goodbye kiss away

Just another day in Hollywood
They towed away my car
Gonna pull my act together
Before I fall apart

'Cause this time I'm feelin' weird
I can't seem to shake the fear
All over me as I cry

Gimme some fake rain, fake rain
To hide my real tears
Don't want you to see my pain
Gimme some fake, fake rain, fake rain
To wash your goodbye kiss away
Fake rain, ah, fake rain, ah

Somebody save me
Lock me up and medicate me
I'm gonna get on a long train

And get off where nobody knows me
I'm tired of trying, my innocence dying
I'm waiting and hating and everyday praying for

Fake rain, fake rain
To hide my real tears
Don't want you to see my pain

Gimme some fake, fake, fake rain, fake rain
To wash your goodbye kiss away

Make it go away, go away
Make it go away, go away
Go away, go away, go away
Fake rain
