Observation
My situation
Ain't looking up
I'm having stupid suicidal thoughts
Complication
My hesitation
To cut you off
Has put me at a total loss

I'm a girl on the verge of a nervous breakdown
I'm all messed up
Baby all cause of you
I can't sleep
I'm in too deep
I'm a girl on the verge of a major meltdown
I may be all freaked out and confused
But I still wouldn't wanna be you
I'm a girl on the verge of a nervous breakdown

Devastation
My reputation
Is headed south
My medications running out

I'm a girl on the verge of a nervous breakdown
I'm all messed up
Baby all cause of you
I can't sleep I went to deep
I'm a girl on the verge of a major meltdown

I may be all freaked out and confused
But I still wouldn't wanna be you
I'm a girl on the verge of a nervous breakdown

Yeah, yeah, yeah, yeah

Congratulations
I'm your creation
Well how bout that
You better lock your doors cause the bitch is back

I'm a girl on the verge of a nervous breakdown

I'm all messed up
Baby all cause of you
I can't sleep I went to deep
I'm a girl on the verge of a major meltdown
I might be all freaked out and confused
But I still wouldn't wanna be you
I'm a girl on the verge of a nervous breakdown
I'm a girl on the verge of a nervous breakdown
On the verge of a nervous breakdown
