You say go, I'll go
If you wanted to take it slow
We'll take it slow
Put your hands over my eyes
I'm happy to be blind

I'll be damned
It's happening again
In minutes we'll see ourselves
In a whole new light
And pieces from our shelves
Will take flight

Please stay with me
Stay with me
You say go, I'll go
If you wanted to take it slow
We'll take it slow
Put your hands over my eyes
I'm happy to be blind

I'll be damned
It's happening again
In minutes we'll see ourselves
In a whole new light
And pieces from our shelves
Will take flight

Please stay with me
Stay with me
