

Before The Curtain

"I Want It All"

When I see the man in the mirror,
I refuse to live my life in fear,
The clock keeps ticking,
and minutes just thinking,

I want it all
I want it all
When the world comes chasing
I'll be waiting

When I see the world from my window,
I see people prepared to follow,
Lies comes easy,
This place becomes more sleezy

I want it all
I want it all,
When the world comes chasing,
I'll be waiting

Days will come with the good and the bad,
We'll laugh, and we'll cry as we pass the time,
This is real life

I want it all
When the world comes chasing
