Slayer Beatz Baby

Master-Boyz

I do it for my momma

Verse 1:

It's all about my momma

Ideal of her lover

The one who always gave me something, put on me a
cover

When I was sick

She did never shrink

When I come at 6

She never goes strict

Protected me like an umbrella

She's nice, never out of her

She got Wonderwoman charisma

Does it like a talisman

Sweeter than a candy shop

Cuter than you and you not

... Certified!

Me she never dropped

Got loads to say about her and she know it

Admirable, loveable, adorable and she know it

Makes me laugh loud she can act kamikaze

She my momma and I love her crazy

Chorus x2:

I did it for my momma (x2)

Happiness blowing out huge like my name's Hosama

Without her my life's like doomed in a comma

Off her way I chase all kind of drama

I did it for my momma (x4)

Verse 2:

It's all about my momma

Why singing if it's not about her?

She gave me birth years ago, this I give to her

Example of loyalty she's pure like fur

She got brains I admire her

Let me tell you a secret

I will never have regrets
Of having you 'round me cause you never reject my
presence
Got me so close to you I always feel warm
So sorry to not always take you in my arms
Whatever happens you'll stand as my mother
I want to cherish you more than others
If you were a flower you'd've been the best offer
I vow to never ever give you any suffer

Chorus x2:

[Talking]

Yeah! I love you, mom, I did it for you. You will always
be in my heart...
