[Chorus x2]

This is passport to your heart
Passport to your heart (x2)
And I know I can get it, I know I can enter
Why am I weird? Why do I make you suffer?

[Verse 1]

This is passport to your heart I know I can enter
But I got stupid attitude bringin' the worse weather
Cheatin' on you when you're not around the corner
Bad bitches even worthless to be on your level
I can apologize but it won't heal your pain
I know I'm a bastard making your eyes and heart rain
Actin' like a lighter under a sheet of paper
Thought I was the cover to make you safer
But I'm a criminal to your heart with a touch of fire
Plus I've been bad turned myself into a liar
Puttin' a part of my deepest regrets to this track
Hope you will forgive a nigga 'cause he wants you back

[Chorus x2]

This is passport to your heart
Passport to your heart (x2)
And I know I can get it, I know I can enter
Why am I weird? Why do I make you suffer?

[Verse 2]

This is passport to your heart I know I can enter
Givin' you love's not enough I am the worst nigga
Ashamed of my actions it's bad for a father to be
I don't deserve you since I'm always being mean
You can hate me the longer you ever ever want
I'll never tell you that's bad so you don't
I be waitin' for you so get mad at me until you're done
Keep all my stuff as you will, keep all my phones
I didn't think of our baby I've been selfish
Doin' this made me act like a damn bitch
Puttin' a part of my deepest regrets to this track
Hope you will forgive a nigga 'cause he wants you back

[Chorus x4]

This is passport to your heart
Passport to your heart (x2)
And I know I can get it, I know I can enter
Why am I weird? Why do I make you suffer?
