Your dreams fulfilled, you're rocking with best
Rock-rock-rock-rocking with best
Unforgivable, I'mma put your limits to the test

Hey, yo just turn me up
Yo (yo!)
It's been a long time (yeah)
Turn me up a little bit more (wanna be sure that ya
Feeling me)

Your dreams fulfilled, you're rocking with best (best
Best best)

I'm the first, I'm the next, I'm the end
I'm the force, in your thoughts, that'll make your mind
Bend (bend bend bend)

You're pulsating, your heart is beating outta your
Chest
You're hyperventilating, trying to catch your breath
(Breath breath breath)

Unforgivable, I'mma put your limits to the test

Your dreams fulfilled, you're rocking with best

Yeah yeah yeah
Let's play a game
Let's pretend for a second
You don't know who I am or what I do
Let's just put it to the side (c'mon)
I can feel your heart beating
I can hear you breathing
Look into your eyes
Trying to see into your mind

Your dreams fulfilled, you're rocking with best
Rock-rock-rock-rocking with best
Unforgivable, I'mma put your limits to the test
Rock-rock-ro-rock-rocking with best
