I poured some stars in your cereal
You ate half a bowl and said you were full
Oh honey where's your appetite
You used to eat a bowl every nite
Ah uh huh

Baba bada bap ba badiyidi
Baba bada ba

Lassoed the moon and laid it at your feet
But when I left you kicked it out on the street
The neighbors heard it cryin' took it in
Now I'm not sure the moon will trust you again
Ah uh huh

Baba bada bap ba badiyidi
Baba bada ba

Baba bada bap ba badiyidi
Baba bada ba

The world can caress you or it can oppress you
But don't be swayed by it's course
A smile's a moonbeam a happy daydream
Pouring straight from the source

Where did you go I want you back
Your smile's as flat as a paper sack
Oh let me pour your favorite cereal
And hang the moon to light your meal
Ah uh huh

Baba bada bap ba badiyidi
Baba bada ba

Baba bada bap ba badiyidi
Baba bada ba

Your heart was open twenty four hours
Your love was my chosen sunflower
Weren't you the one who said a smile's just a frown
That we've turned upside down

Where did you go I want you back
Your smile's as flat as a paper sack
Oh let me pour your favorite cereal
And hang the moon to light your meal
Ah uh huh

Baba bada bap ba badiyidi
Baba bada ba

Baba bada bap ba badiyidi
Baba bada ba
