Look at the sky isn't it fine
Such a pretty day

Look at the grass so green
Almost takes my breath away

Walking around how I love to see
You standing there

Since you took my hand
Well my heart sees you everywhere

Ch
Who knows when or where
Our time is gonna come
I only know that I care to live each day like this
With a kiss and I promise I'm not going
Anywhere

La da da da da da da

I read surprise
In your eyes
You think I might leave

But where would I go
What would I do
There's no one else like you

Ch
Who knows when or where
Our time is gonna come
I only know that I care to live each day like this
With a kiss and I promise I'm not going
Anywhere

Bridge
I love you so
And I never thought I'd find my heart again

Oh you've got to know
That no one could ever take this heart from you

La da da da

Who knows when or where

Our time is gonna come

I only know that I care to live each day like this

With a kiss and I promise I'm not going

Anywhere
