Well i hope i see you later
Cuz it's time for me to go
And my ride has just pulled over
But it sure was good to know you

Go answer your calling
Go and fill somebody's cup
And if you see an angel falling
Won't you stop and help her up

Ohh oh
Cuz we are each other's angels
Ohh oh
And we meet when it is time
Ohh oh
We keep each other going
And we show each other signs

Sometimes you'll stumble
Sometimes you'll just lie down
Sometimes you will get lonely
With all these people around

Ohh oh
You might shiver when the wind blows
Yea you might get blown away
Ohh oh
You might lose a little colours
You you might lose a little faith

Ohh oh
But we are each other's angels
Ohh oh
And we meet when it is time
Ohh oh
We keep each other going
And we show each other signs

Well i reached my destination
Yea i finally made it home
God sent ten thousand angels
To make me one of his own

Ohh oh
But we are each other's angels
Ohh oh
And we meet when it is time
Ohh oh
We keep each other going
And we show each other signs

Oh we are each other's angels
We are each other's angels
Oh we are each other's angels
And we meet when it is time
Oh we are each other's angels
Ohhh i've forgotten how to fly
Oh we are each other's angels
Won't you show me how to fly
Oh we are each other's angels
Oh we are each other's angels
Oh we are each other's angels
Oh we are each other's angels
Oh we are each other's angels
Oh we are each other's angels
Oh we are each other's angels
Oh we are each other's angels
Oh we are each other's angels
Oh we are each other's angels
Oh we are each other's angels

Oh we are each other's angels
