Hear my cry, my face is numb
Hear my cry, my legs won't run
Hear my cry, I'm ripping at the seams
Hear my cry, if only I could scream

I can taste it, an aching inside
I can taste it, the offspring of pride
I can taste it, I'm drowning in the flood
I can taste it, and it tastes like blood

Hear my cry when I call Your name
I'd give my life to touch Your flame
Breathe in me, I'm free

Hear my cry, I'm deep in debt
Hear my cry, in deep regret
Hear my cry, someone save me from me
Hear my cry, and give me back sanity

I can taste it, an aching inside
I can taste it, the offspring of pride
I can taste it, I'm drowning in the flood
I can taste it, and it tastes like blood

Hear my cry when I call Your name
I'd give my life to touch Your flame
Breathe in me, I'm free
In deep regret

You have brought me to my knees
And You have danced in all my dreams
You have stepped through time and space
And in my need You kissed my face

Hear my cry when I call Your name
I'd give my life to touch Your flame
Breathe in me, I'm free
In deep regret

Hear my cry when I call Your name
I'd give my life to touch Your flame
Breathe in me, I'm free
