

38Th Parallel "Three Times Denied"

Visit "[Three Times Denied](#)" on MotoLyrics.com

Breaking bread, pouring wine,
Speaking mysteries to stretch my mind
I failed to follow
The meaning Of 'flesh in the bread' that I swallowed
Dipping bread in a dish
Calling out a traitor
I'm hoping you'll explain this sooner or later
I'm dizzy with confusion
In the midst of a dream awaiting conclusion

Chorus:

Three!

Times!

Denied!

Thought I was strong but it seems I was wrong

Now I see, since now I've

Three!

Times!

Denied!

Your name I'm stained with shame

This wretchedness becomes my fame

Your accusation plagues my mind

Your prophecy leaves me horrified

Denied you never would be,

Of all of us it would never be me

To break your heart and make you moan

Forsake your name leave you alone

With the sting of a coward's lie

The signed decree that declares you die

Chorus

Nightmares run through my brain

Cold sweat covers me like a sickening stain

In this place between asleep and awake

I shake from the cold and the fear of heartbreak

And in the glow of the fire

I turn into a liar

To scared to say 'I know'

Like a sheperdless sheep I run and I weep
As I hear the cock crow

Chorus

You said three times
My son do you love me
And I said three times
'You know that I do'

You said three times
My son do you love me
And I said three times
'You know that I do'

You said three times
My son do you love me
And I said three times
'You know that I do'

Chorus
